Section 56.750(6), RSMO, requires MOPS to establish and maintain an automated case management and criminal history reporting system as the standard utilized by prosecuting attorneys and the circuit attorney. Prosecutor by KARPEL is the uniform prosecutor case management system. MOPS developed, maintains and improves it through the years through grants and annual license fees paid by prosecutors' office. We have worked with MSHP and OSCA to provide a digital flow through of cases from law enforcement investigation to filing with the courts, again, using grants and license fees. However, the new flood of digital evidence (e.g., law enforcement body and car cams, business and home security cams) has created a need to build into KARPEL a digital evidence management system (DEM) with sufficient storage, with significant costs which MOPS and local prosecutors' offices cannot absorb.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

KARPEL will build the DEM function into ProsecutorbyKARPEL at no cost to MOPS. KARPEL also has agreed to continue to include 2TB of storage as part of the annual license per user. However, there would be charges for TB usage/storage above 2TB. Karpel will also build a law enforcement external agency portal (LEEAP) which would allow law enforcement agencies (LEAs) to directly digitally transmit reports and evidence (especially digital evidence from body and car cams, those two alone generating enormous amounts of data) to prosecutors. This LEEAP would also allow LEAs to "look in" and track the status/progress of cases in the prosecutor's office. The one time cost to develop the LEEAP is \$ 890,000. Ongoing annual maintenance of the LEEAP will be \$ 178,000. Estimated annual expense to cover excess TB usage/storage up to 700 TB is \$ 228,000. Of the\$ 1,296,00 request, \$ 890,000 is a one time request with \$ 406,000 being an annual appropriation request for LEEAP maintenance/extra TB storage.

3. WHY IS THIS FUNDING NEEDED? PROVIDE AN EXPLANATION FOR ITEMS CHECKED IN #2. INCLUDE THE FEDERAL OR STATE STATUTORY OR CONSTITUTIONAL AUTHORIZATION FOR THIS PROGRAM.

Section 56.750(7), RSMo, requires MOPS to provide "other assistance to prosecuting attorneys and circuit attorney that is necessary for the successful implementation of sections 56.750 to 56.775 or that hereinafter may be authorized by law." At the end of the last session of the General Assembly, legislators expressed their desire to fund a statewide conviction integrity review unit in MOPS to review claims of actual innocence from jurisdictions where prosecutors do not have (primarily due to lack of resources) a conviction integrity unit. However, MOPS suggested that funding be delayed until a specific statute was passed authorizing and defining such a unit in MOPS. Legislation has been drafted and will be introduced in the 2024 legislative session creating such a conviction review unit in MOPS. If that statute is passed, it would require additional staff to implement.

4. DESCRIBE THE DETAILED ASSUMPTIONS USED TO DERIVE THE SPECIFIC REQUESTED AMOUNT. (How did you determine that the requested number of FTE were appropriate? From what source or standard did you derive the requested levels of funding? Were alternatives such as outsourcing or automation considered? If based on new legislation, does request tie to TAFP fiscal note? If not, explain why. Detail which portions of the request are one-times and how those amounts were calculated.)

In basing our assumptions on what it would take, we considered the following; (1) Since only two counties (Jackson and St. Louis) and the circuit attorney have conviction review units, MOPS would be responsible for reviewing actual innocence claims from 112 counties and any handled by the Attorney General as conflict prosecutor; (2) looking at what other states' statewide units have, and using Jackson County in particular, we will need two experienced attorneys (with backgrounds in prosecution and defense) and an investigator, The draft legislation, recognizing the need for adequate and meaningful staffing, also specifically provides for those three positions. The PS includes maximum salary of \$ 80,000 for each attorney and \$ 60,000 for the investigator (depending on experience). The E&E is based on E&E of our current resource prosecutors.
